COVE SENDS 10 CARLOADS

APPLES STORED, BUT DECAY
LOSS ONLY ONE PER CENT.

Cove Apple Growers Realized 100 Per
Cent Increase in Prices Over Last
Fall by Storing Their Crop—Re-
markably Small Decay Loss—To
Near Western Points.

Cove, Feb. 1.—(Special.)—The
storing qualities of Grande Ronde ap-
ples was strikingly demonstrated here
last week when Stackland Bros.
shipped 10 carloads of apples to Colo-
rado and Wyoming, that have been
stored here with a decay loss of only
1 per cent. This is better than the
average cold storage records.

Good Late Prices.

Reports from the sale quarters af-
firm that the sale price on the 10 car-
loads—of which B. F. Bell sends three
—is 100 per cent better than the price
paid last fall. With a quality of fruit
that can be stored with a trifling loss
from decay, and prices becoming more
and more profitable as the winter
months pass, storage will no doubt
hereafter be the order of the day. It
has proven very satisfactory wherever
tried in the 1928-29 season.

MOST COST ATTACHED

Pendleton, Jan. 30.—The state sen-
ate of Oregon doesn't believe that a
man who is too poor to be able to pay
a physician to give him a clean bill of
health before marriage is a proper
person to marry, according to Dr. W.
G. Cole who has returned for a brief
vacation from his duties as state sen-
ator at Salem, and because of that
opinion the senate, when the bill came
up for final passage, returned Dr.
Cole's measure to the committee to
have stricken from it a proviso for
payment of such examination by the
county where the applicant was too
poor to do so.

Senator Cole's measure is regarded
as an important one and is being given
warm support except in that one in-
stance, the provision for which was
put in because of the refusal of the
last legislature to pass a bill making
the marriage license fee \$5. Dr. Cole
thought the legislature wanted to
make marriage as cheap as possible,
but the senators reversed themselves and
decided they did not.

Another of Senator Cole's measures,
which is meeting with hearty support
is that against high school fraterni-
ties, which would have been passed by
this time, he believes, had not the doc-
tor withdrawn his bill from final pas-
sage to grant a hearing of their side of
the case to boys of the Portland fra-
ternities.

PREVENT ACCIDENTS

Looking to the prevention of acci-
dents similar to the one which almost
snuffed out the life of Engineer Jas.
Gavin some time ago, the O. R. & N.
will in the near future equip all yard
tracks with signal blocks, exactly sim-
ilar to the ones used on the main line.
Nearly all yards of any consequence
have these yard signal system, but in
La Grande conditions have been such
that signals would be detrimental to
rapid transit. On account of the
switch engine having to work out so
far in each direction from the center
of the yard, the main line blocks are
not set close to the yards, but run out
considerable distances each way. For
instance the main line block does not
rise when a train is anywhere between
the yards and the A. B. C. laundry.
When the new system is installed,
switch engines will be on blocks con-
tinually.

Complete Main Line System.

Just as soon as the signal service
can complete the installation of a
short system near Troutdale, the O. R.
& N. will be "blocked" from Hunting-
ton to Portland. The completion of
the short service on the west end will
mean the commencement of the yard
service installation here.

Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war
veteran of Kemp, Texas, that a plot
existed between a desperate bank
robber and the grave to cause his
death. "I contracted a stubborn cold,"
he writes, "that developed a cough
that stuck to me in spite of all reme-
dies, for years. My weight ran down
to 130 pounds. Then I began to use
Dr. King's New Discovery, which re-
stored my health completely. I now
weigh 178 pounds." For severe colds,
obstinate coughs, hemorrhages, asth-
ma and to prevent pneumonia it is
unrivaled. 50c and \$1. Trial bottle

Cured of a Severe Attack of Bronchitis
by Chamberlain's Cough Remedy.

"On October 18th, last, my little 3-
year-old daughter contracted a severe
bronchitis," says Mrs. W. G. Gibson,
Lexington, Ky. "She lost the power
of speech completely and was a very
sick child. Fortunately we had a bot-
tle of Chamberlain's Cough Remedy
in the house and gave it to her accord-
ing to the printed directions. On the
second day she was a great deal bet-
ter, and on the fifth day, October 23d,
she was entirely well of her cold and
bronchitis, which I attribute to this
splendid medicine. I recommend
Chamberlain's Cough Remedy un-
reservedly as I have found it the surest,
safest and quickest cure for colds,
both for children and adults, of any I
have ever used." For sale by all good
dealers.

consumed in great excess. This leads
to stomach troubles, biliousness and
constipation. Revise your diet, let
reason and not a pampered appetite
control, then take a few doses of
Chamberlain's Stomach and Liver Ta-
blets and you will soon be well again.
