### TITLES

You may have title to your home and again you may only think you have.

Call at our office and let us explain what an abstract really means. Your ideas regarding abstracts may be all wrong. Many people do not know what constitutes an abstract, they think that an abstract is the equivalent of a deed.

#### Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little 3-year-old daughter contracted a severe cold which resulted in a bad case of year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." #### Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 175 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.

### BASKETS FOR WEST'S

Up-to-date automatic carrying baskets, with necessary wrapping counters, are to be installed in the N. K. West store this month. Each department in the building will be equipped with a basket such as is used in big department stores, and all packages will be neatly wrapped by girls in a balcony where all the conveying wires will be centered.

The present cash exchange system disappears with the arrival of the carrying baskets for the change will be counted out where the packages are wrapped. This will be the first advent of the "big city" accommodations in La Grande. The expense attached to the installation of the system will be considerable, but will facilitate handling of packages and change in such a way that customers can be waited on more promptly than under the old system.

#### Herring Crop is Short.

St. John, N. F., Feb. 2.—Seventy-six thousand barrels represents the Newfoundland herring catch during the season just closed, according to the most reliable figures available today. This is little more than half of the catch of the previous year.
