

"THE BURGOMASTER" TONIGHT

With only a seat left here and there in the remote corners of the house, the Steward opera house will tonight be jammed full to witness "The Burgomaster." Never in the history of this comic opera success has it proved so popular as the present season. Manufacturers all over the country are recognizing the sterling worth of the word "Burgomaster" and salted peanuts, cigars, whisky, chocolates, bon-bons, neckwear and shoes and

number is the one entitled, "The Love of a Pasha." The plot for this picture is Turkish and throughout the entire film Turkish costumes and customs prevail. Manager Eccles is having his entire theater remodeled and is having new scenery painted and hung. He is planning many improvements which will be made as rapidly as mechanics can do their work. The special numbers by Abbott and Clayne are especially good. Their singing is far above

CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health, and insatiable appetite is

a sure symptom of diabetes.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest and healthiest persons are moderate eaters.

There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge everyone in La Grande who is suffering from any stomach derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the result. We recommend them to our customers every day, and have yet to hear of anyone who has not been benefited by them. We honestly believe them to be without equal. They are made from the prescription of a physician who devoted all his time to the study and treatment of stomach troubles. They give very prompt relief, neutralize the gastric juices, strengthen the digestive organs, create good digestion and assimilation, naturally regulate the bowels, promote perfect nutrition, and create a permanent cure of all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 5 days treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c and 80c. A. T. Hill, Druggist.
