Cured of a Severe Attack of Bronchitis
by Chamberlain's Cough Remedy.
"On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." Reason Enthroned.
Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. For sale at all good dealers.

ON WRONG SLEEPING CAR

Fred H. Shoemaker, who was a passenger on No. 1 today, tells of an amusing incident that happened to one of the passengers. It was amusing to all except the man affected, relates the Baker City Herald.

Just before entering Green River a passenger in one of the sleepers wished to speak to a friend in the car ahead, and as it was in the early morning before the other passengers were stirring, he did not dress, but went ahead in his night robes. The train entered Green River and there some of the cars were switched off. The visitor did not think anything about it but continued his conversation until the train had left Green River. Then he started back to his own car, only to learn that it had been switched onto another train and was on its way to Ogden, while he was in a car bound for Pocatello. What could the poor man do? There he was going in one direction with only his scant night attire for protection, while his clothes were on another train bound for Ogden. His friend didn't have an extra suit with him, and for a while it looked as though he would have to stay in bed all day. He finally solved the difficulty by borrowing a suit from one of the trainmen.

Improvements Planned—New \$3000 Hotel Planned.

According to reports received at Pendleton Helix is to have some new improvements in the building line. Plans are being made for a new hotel which will cost in the neighborhood of \$3000. The building will be a frame structure two stories in height and will be modern and up-to-date in as many respects as possible for the town to make it. The bank of Helix is to have a new building also, but the specifications have not been made for it yet. However, it will be made to meet the requirements of the growing business of the bank and will be a modern structure.—Pendleton East Oregonian.

COON SONGS AT STEWARD

At the Steward opera house tonight will be presented the Dixie Quintet, under the auspices of the Baraca club of this city. The five come here highly complimented by newspapers and managements, where they have been. The singing of "nigger" songs by a competent quartet or quintet is always entertaining, and tonight's appearance will be no exception. The popular prices, 50c and 25c, will also be a factor in filling the house with interested listeners.

Soldier Balks Death Plot.
It seemed to J. A. Stone, a civil war veteran of Kemp, Texas, that a plot existed between a desperate lunatic trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 173 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.
