A Sprained Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time, as by applying Chamberlain's Liniment, as directed, a cure may as a rule be effected less than one week's time, and in many cases within three days. Sold by all good dealers.

GRANGERS ENJOY DAY

February 29 was one of the busiest days passed by Blue Mountain grange this winter. With discussions, recitations, essays, songs and initiations the day was filled from start to finish.

The roll call was, "What is a Successful Life?" and almost every one gave their idea of the question. This program was rendered:

Recitation, Mrs. Mabel Anson.
"Pure Foods," paper by Mrs. Redhead and Mrs. Glass.

Select reading, Mrs. Keltz.
Paper on Prevention of Disease, W. W. Glass.

"Treatment of Disease," with illustrations on chart, Mrs. Grace McAllister.

Recitation, Stella Anson.
Essay—"Good Roads," Ethel Redhead.

Essay—"Women and the Grange," Hattie H. Golden.

Debate—"Resolved, That the bill on Proportional Legislation, passed last June, should be ratified by the legislature."

Reading of "Valley Breezes," edited by Mrs. Redhead.

Several of the members are ordering lamps to burn denatured alcohol. We are impatiently waiting for a treat which is in store for us. A troupe of 18 persons, called the "Coon Town 400," will be at Grange Hall February 12. No admission will be charged. A basket social afterward by the neighborhood. All are invited.

THEY INJURE CHILDREN.

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyances.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics.

Rexall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowel, remove irritation, dryness and soreness, overcome weakness, and tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies not only cure constipation, but they remove the cause of this ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages: 12 tablets, 10c; and 36 tablets, 25c. A. T. Hill druggist.
