## MAY AGREE ON CHANGE

It is apparent that La Grande's attempt to land the eastern Oregon high school athletic conference the latter part of this month, is one that carries weight. While no direct statement has been made to the effect that the conference will be held here rather than in Pendleton, the fact is that Pendleton athletic officials are willing to arbitrate the matter. The first step in assent to the proposition advanced by the La Grande school, came in a letter from Pendleton today stating that Principal Hampton of the Pendleton school will go to Baker City tonight to confer with school officials in that city relative to the coming conference. On the way there he will discuss the proposition briefly, tonight, with local members of the conference. It is believed that with the proper efforts the conference will be assured this city.

# N. K. West's Great Shoe Sale

For Ten Days

## Preston's \$2,000. Stock of Shoes Secured at a Sacrifice

Which will be thrown to the mercy of the public. # DENTIST

I came to the Grande Ronde Valley some months ago to give the people of this community the advantage of reliable dental work at reasonable prices and I have found that this determination has been appreciated. It is due every man that he get a reasonable recompense for his work and I base my practice on that principle. My patrons shall receive the same consideration that I should expect if I had occasion to employ a Dentist. Very Respectfully,
