Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little 3-year-old child contracted a bad case of year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." Reason Enthroned.
Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. LOCK HORNS WITH O R & N

"There will be no new depot built in Pendleton unless the concession of vacating the portion of Aura facing the property upon which we wish to build the round house is granted by the city. In case the concession is made today, I will buy the ground which we wish to possess and will begin the erection of the new depot within 30 days."

This was the statement made to the Pendleton East Oregonian by J. W. Morrow today, when questioned about the proposition of erecting the new building.

City's Position.

"We could not allow the railroad to close up one of our principal streets, so we are not able to grant the concession," was the statement of Tom Montgomery, the councilman, to whom the matter of conferring with Mr. Morrow was referred.

As the city and the railroad have locked over the proposition it is very doubtful if Pendleton is to have a new depot after all, notwithstanding the assurances the railroad was making a few weeks ago.

The entire matter rests with the people. Whether they would rather have a new depot or have Aura and Lillith streets closed up. A strong remonstrance has been presented to the council by property owners on the south end of the city, and it is possible that they would sue the city for damages or bring an injunction to stop the proceedings if steps were taken favorable to the railroad.

BAKER WOOL DISPOSED OF

The largest advance sale of wool reported in this county for some time was made known today by Miles Lee, when he stated that Lee Bros., Miles and David, had purchased 65,000 fleeces of the 1909 clip, says the Baker Herald. It is seldom that a local concern is able to purchase such a large amount of wool in advance, and they feel highly elated over their success in this line.

The price paid for the new clip was 16 cents per pound, which is the average that is being paid in all parts of the country. In Idaho and Montana a large amount of wool has been sold, the scale of prices being from 16 to 18 cents.

The number of fleeces to be sold in Baker county this year is placed at 120,000 by Miles Lee, and thus it is seen that more than half of the clip has been sold in advance. Big buyers of the east are securing all the wool they can get in advance, in an endeavor to break up the combine of the sheepmen, who are getting together in an effort to secure the highest market price for their wool.

Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.
