Awaiting Eccles' Decision.

The sugar factory representatives secured about 400 acres at terms regarding rental and water considered satisfactory, though the proposition will be up to Mr. Eccles to accept or refuse. The result will be known in a few days.

M. Migoguchi, a Japanese sugar beet contractor in the Grande Ronde, was here Monday, and states that if the Amalgamated people decide to enter this valley, he will also lease about 300 acres provided the details are to his liking.—Enterprise News-Record.

MOTHER SMOTHERS BABY.

Parents Return Home Tired—Awake Next Morning Horror-Stricken.

Clasped tightly in its mother's arms the 3-weeks-old baby of Mr. and Mrs. Theodore Krause of the Nolin neighborhood was accidentally smothered to death Friday night. The particulars of the case make a very sad story, says the Pendleton East Oregonian.

Friday night the father and mother of the infant attended an entertainment held at Nolin. They returned home late at night, both fatigued from the trip. Retiring for the night the mother went to sleep with the little child in her arms. When she awoke the following morning the baby was dead. It had been smothered to death during the night. Since then the mother has been almost frantic with grief and general sorrow is felt for both husband and wife.

The little child was buried at Nolin yesterday. The Krauses live on a farm several miles north of Nolin.

A FAMOUS BEAUTY SPECIALIST. Gives Advice to Women Lacking in Energy and Vitality.

Thousands of women are using toilet preparations unsuccessfully. Cosmetics fail to improve their thick muddy complexions or to banish the pimples, blackheads and crow-feet.

No wonder. Their trouble lies far deeper than the skin. They have bad blood, and bad blood in 90 per cent of the cases arises from inflammation of the mucous membrane. Their blood is filled with poison which is certain

to break out in unsightly humors and blotches—white pale, drawn faces, deep creased eyes, stooping shoulders and weak backs complete the story of suffering and despair.

Inflammation of the mucous membrane is catarrh. Banish catarrh and complexion will clear as if by magic, pain vanish, eyes will brighten, faces become plump and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through Rexall Mucu-Tone, the one positive and permanent cure for catarrh.

Mme. Swift, 44 W. 26th St., New York City, the most famous beauty specialist in the world and an accepted authority on all relating thereto, has this to say of Mucu-Tone:

"I can strongly endorse the claims made for Rexall Mucu-Tone as a cure for systematic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Mucu-Tone, they will praise it as I do for its strengthening and healing qualities."

Rexall Mucu-Tone works through the blood, and acting directly upon the mucous-cells—the congestion and inflammation of which are the sole cause of catarrh—causes them to expel the poison and to resume their natural functions. Thus the membranes are cleansed and revitalized.

We know that Rexall Mucu-Tone will cure every form of catarrh, no matter where located, of how long standing, or by what other names it is known. We guarantee to refund your money if you are not satisfied with the vigorous health and clear complexion it brings you.

Sold only at our stores. Price 50c and \$1 per bottle. Mail orders filled. A. T. Hill, druggist.
