HORSEMAN NOT GUILTY

George Horseman is a free man. This is the result of the verdict of the jury that was made last night after they had been in actual consultation for about two and a half hours, says the Pendleton East Oregonian of Tuesday. Not guilty! and the man who claimed he had been persecuted by his enemy, whose life he took in alleged self-defense, was relieved of the horrible anxiety that beset him from the time he was indicted until the conclusion was reached by the jury.

After the attorneys had concluded their pleas and they had been instructed by the judge, the jurymen filed out in solemn style to the room in which they had been confined for seven days. Although it was four hours and a quarter from the time the jury retired until a verdict was reached; it actually took only about an hour for them to make up their minds as to the innocence of the defendant. After they had retired to the ante-room from the court room, the discussion was principally as to the meaning of the judge's instructions in regard to the law.

Insane Man Beaten to Death.
Stockton, Cal., Feb. 9.—Manuel Oakes, a blind patient in the Stockton state hospital for the insane, was murdered by a fellow patient, Herman J. Martin, by beating the latter's brains out early this morning. Leaving his bed, Oakes seized a galvanized iron vessel and beat Martin's head to a pulp. Oakes evidently imagined Martin was tormenting him for when found he was sitting on the bed throwing things at the dead victim.

MEN ARE HELPLESS AS CHILDREN.

When Taken Suddenly Ill—Here is a Common-Sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill. The sturdiest chap in town usually loses his self control, and is utterly unable to regard his condition with the common sense that characterizes his every-day actions.

For example: He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening. Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, brought on by overloading his tired stomach.

A couple of Rexall Dyspepsia Tablets would have given him instant relief—would have saved him hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket or keep them in your room. Take one after each heavy meal, and indigestion can never bother you.

Rexall dyspepsia tablets cure stomach troubles by supplying the one element, the absence of which in the gastric juices, causes indigestion and dyspepsia. They enable the stomach to digest all kinds of food and to quickly convert it into rich red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to cure indigestion and dyspepsia. If they fail, we will refund your money.

Price, 25 cents per full package. Sold at our store or by mail. A. T. Hill Druggist.

S.S.S. NATURE'S CURE FOR BLOOD POISON

S. S. S. is known as Nature's Cure for Contagious Blood Poison because it is prepared entirely from the blood purifying and healing extracts of roots, herbs and barks taken directly from the natural forests of the land. It does not contain the least particle of strong mineral ingredients, and is so prepared as to aid in the rebuilding of every portion of the system, while driving Contagious Blood Poison from the blood. No unpleasant effects ever follow the use of S. S. S., such as stomach troubles, dyspepsia, mercurial rheumatism, etc., as is so often the case where other medicines are used. S. S. S. goes down to the very bottom of the trouble and gently but surely drives out every trace of the disease, cleanses and purifies the circulation, and by its fine vegetable tonic effects, assists the system to rapidly overcome the ravages of the disease, and regain its normal, healthy condition. S. S. S. does not cover up or hide the symptoms for awhile, to break out later, but so thoroughly does it remove the cause that no sign of the trouble ever returns. S. S. S., Nature's cure, is the surest and safest remedy for Contagious Blood Poison. Home Treatment Book with valuable suggestions and information, and any medical advice free to all who write.
