NORMALS WON

Brushing shoulders all the time and for a short period holding the lead, the high school basketball team fought a losing game yesterday evening with the Weston Normal team. Up to a few moments before the final sound of the timekeeper's whistle, the score was extremely close, but the Normalites led out in the last and ended the score 18 to 12.

Weston scored the first point but Reynolds, Carpy, Geddes and Captain Childers kept the score sheet nearly evenly balanced. Reynolds and Childers were the most active floor workers, but all members of the team were in the game all the time. It was another case of insufficient training on the part of La Grande, made so by the lack of gymnasium and coaching facilities. Considering the fact that La Grande has had no coaching excepting what the captains have given the members, as against expert instructions received daily by the Normal team, the contest was plainly one in which the locals outclassed their opponents. But with the man who keeps the score, these things do not enter into consideration at all. Geddes injured a muscle in his leg late in the second half and Earls took his place, playing a terrifically fast game while on the floor. Carpy threw goals under extreme difficulties in the first half, and in the second was moved to a guard position where he was constantly with the ball. Hamilton at center was superior to his lengthy opponent. The contest was slightly marred by accidents and excessive talking.

Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.
"On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." Soldier Balks Death Plot.
It seemed to J. A. Stone, a civil war veteran of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 134 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.
