WESTON WON FAST GAME

The Weston Normal basketball team passed through La Grande this morning on its way to Weston, after reaching the most eastern point of the four Baker City last evening. The Normalists won a highly contested game. The score at the end of the game was 24 to 24, and in playing off the tie, each team scored one goal from a foul. Still a tie, 25 and 25, the game proceeded as one team in such cases must make two points over and above what the other team's score is. After playing nearly 20 minutes more than the usual length, Weston scored a goal from the field. The Normalists won three of the five games played during the tour just ended, the M. I. A. of this city being one of the two teams to win against them.

Card of Thanks.

Mrs. Samuel Clay, who has been very seriously ill for several months, is now able to dispense with her faithful and conscientious nurse, Miss Minnie Bray, who guarded her condition with great sagacity. Mrs. Clay sits up all day and partakes of every substantial nourishment. Now that she is able to express her gratitude to the friends who showed a most benevolent and kindly spirit in her behalf during the first illness, she wishes to thank them most deeply and sincerely. Among them were some of the members of the Rebekah lodge, inclusive, Mrs. Joseph Stiles, Mrs. Charles Blystone and Mrs. Elmer Scott. Her brother-in-law, Albert Clay, has also been most considerate and sympathetic and deserves much commendation for his splendid spirit during her sickness.

Big Price for Land.

The sum of \$26,500 is a pretty big price for a half section of land, but this is the amount that was paid by Dan and Al McKenzie for 220 acres in the vicinity of Athol, says the Pendleton Evening Oregonian. The record of the sale was made yesterday, the land being bought of Melissa A. Watrus and the heirs of Lyman M. Watrus. The price included the building and other improvements on the place. This seems to be the top notch price that has been paid for land for some time, and shows the increasing value of what land in the county. It has not been many years since a half section of the same kind of land could be bought for five or six thousand dollars.

Are You Only Half Alive?

So many people look and act as though they were only half alive.

They are mere shadows of men and women once strong and robust.

Most of them are deceived as to the real cause of their trouble, which is Kidney Disease.
