It is doubtful whether the mayor of Philadelphia will permit the removal of the old Liberty bell to Seattle. The committee appointed to investigate the condition will report some time today. It was discovered the bell showed signs of cracking in another place.

The Commercial club should investigate and ascertain what the propects are for the holding of a success ful fair in Union county this year. To accomplish this will require consider ation and after a polley has been outlined it will require time to carry it out.

Hurrah for our business men They are already thinking of the Fourth of July. This means that Le. Grande is going to colchrate this year in keeping with our commercial prestige.

Idaho, through its hugislature, seems determined to probe the alleged graft scandal in consection with the construction of her capital building
