A Common Cold.

We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria and scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's Cough Remedy is used. It cleans out these culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by all good dealers.

For That Terrible Itching.

Eczema, tetter and salt rheum keep their victims in perpetual torment. The application of Chamberlain's Salve will instantly allay this itching and many cases have been cured by its use. For sale by all good dealers.

Pineules for the kidneys are little golden globules which act directly on the kidneys. A trial will convince you of quick results for backache, rheumatism, lumbago and tired, worn-out feeling. 30 days' trial \$1. They purify the blood. Sold by Silverthorn

VALUATION GROWING LESS

Last evening the county clerk's office force finished the tax rolls for Baker county and made out the warrant commanding the sheriff to collect the taxes forthwith, which practically ended the red tape attached to tax collecting and advances the proceeding to the point where jingling coin and crisp greenbacks must be shoved over the counter to Davis Miles, the affable assistant in the sheriff's office, who never refuses to take the money, records the Baker Herald.

Examination and comparison of the tax record for last year and for 1909 reveals the following:

In 1908 the total assessed valuation was \$9,680,545, which returned in taxes \$233,663.47.

In 1909 the total assessed valuation is \$9,662,330, which will return a total tax of \$259,462.75.

It will be seen that the assessed valuation as a total is \$18,215 lower this year than it was last, yet it must raise \$25,799.28 more in taxes than was necessary in 1908.

RESUME THE WORK SOON

S. E. Haworth has been in Portland buying up material and supplies, and employing stone cutters to be ready to commence completion of the enterprise court house just as soon as the weather is favorable. This morning the contractor went over to Enterprise, taking with him two stone cutters, who will be employed there during the final work. The structure is a splendid one, being nearly as large as the city hall in this city, but more imposing on account of the na-

tive stone used in construction. The supplies purchased in Portland will be shipped to the Wallowa county capital at once.

FOR CONSTIPATION.

A Medicine That Does Not Cost Anything Unless It Cures.

If you suffer from constipation in any form whatever, acute or chronic, we will guarantee to supply you medicine that will surely effect a cure if taken with regularity and according to directions for a reasonable length of time. Should the medicine fail to benefit you to your entire satisfaction, we promise that it shall cost you nothing.

No other remedy can be compared with Rexall Orderlies for the easy, pleasant and successful treatment of constipation. The active medicinal ingredient of this remedy which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a preparation which is incomparable as a perfect bowel reg-

ulator, intestinal invigorator and strengthener. Rexall Orderlies are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children, delicate or aged persons, because they do not contain anything that could possibly injure the most delicate organism. They are just as easy to take as candy, and unlike other preparations for a like purpose they do not create a habit, but instead they overcome the cause of habits acquired through the use of ordinary laxatives, cathartics and harsh physics, and permanently remove the cause of constipation or irregular bowel action.

We want you to try Rexall Orderlies at our risk. We know that there is nothing that will do you so much good, and we will refund your money without argument if they do not do as we say they will. They are prepared in tablet form in two sizes of packages: 36 tablets, 25c, and 12 tablets, 10c. A. T. Hill, druggist.
