Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy. "On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, coughs for children and adults, of any I have ever used." For sale by all good dealers.

Check Artists in Baker.

Baker City is the bottomless pit for bad check artists. Records show that few men who tamper with the signature of others to a check ever get through this gateway to the mountains. If officers are informed of the crime. Last night F. W. Burke, alias O'Brien, was shipped to Boise from this city, where he was caught by the local police at the request of Idaho officials. Burke is charged with having forged the name of a laundryman, Gray of Boise, to a \$20 check. When the forger had been apprehended work was sent to the Idaho capital and Officer Billy Lane of that city came after O'Brien, taking him home last night.—Baker Herald.

Mrs. W. W. Pankey, who has been in quarantine for about two weeks on account of the mumps, is again out. She says it is good to have her liberty once more.—Echo Register.
