Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy. cold which resulted in a bad case of "On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." ## GRADS TALK TO FARMERS

The Grangers in the vicinity of Island City held an instructive meeting today at the Grange hall. Among other important parts of the program were two addresses by O. A. C. grads, who have acquired thorough knowledge of their topics by diligent study. While the general theme was "Soils," the speakers branched out and included many phases of the broad subject that were distinctly interesting. C. C. Clark of Union, and Ralph E. Reynolds, were the speakers referred to.

**M. B. Rees Stricken.**  
Tuesday Dr. J. P. Myers was called to Cove in consultation with Dr. Martin over a case which proved to be "aphasia," which had stricken M. B. Rees. Mr. Rees was first afflicted on Saturday, but now the malady is giving way to the course of treatment prescribed and at the present writing shows a marked improvement. "Aphasia" is the medical term for the loss of the power of speech, or of the appropriate use of words the vocal organs remaining intact, and the intelligence preserved.—Union Scout.

**"Mixed Pickles" Tonight.**  
"Undoubtedly the best week stand company that ever visited La Grande." This is the universal verdict of local theatergoers when speaking of the popular Curtiss Comedy company, which has been playing at the Steward all week. Last night a crowded house—so crowded that many were turned away—saw a pleasing production of "The Gambler's Wife." Tonight's bill is a roaring comedy, "Mixed Pickles," and practically all reserved seats were sold before noon today. This afternoon an interesting matinee performance of the "Indiana Girl" was presented to an enthusiastic audience.
