Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy. "On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." # FINE VOICE AT PASTIME

The Pastime theater has a remarkable singer in its vaudeville attractions this week. Mr. Fox, of the Fox & Durkin team, is positively the best male voice heard in local vaudeville, and has a turn or two that are good, too. Miss Alberta Hadley completes the vaudeville features in a creditable manner. Last evening, through necessity, repeaters were run in the film department, but tonight there is a complete new set. With the strong vaudeville features and the interesting moving pictures that are to be seen tonight, the program will be of the first order. Mr. Ferrin will also add to the program with a vocal solo.

## "MAKE GOOD."

Make good. Cut out "if," "could" and "should." And start to saw wood. You can still have the best things in life, like the rest of the men who've achieved just because they believed in themselves. You're deceived, if you think fortune comes with a rattle of drums and a fanfare of state to hand yours on a plate. That isn't the way that she visits today. You must get out and rustle and bustle and hustle; You need all your muscles, for you've got to tussle. Plunge into the fight. Hit to left and to right. And keep crashing and smashing. Don't let up with your striking till things meet your liking. For goodness sake, stop howling—Instead, do some mauling. It makes the world blither to look at a quitter; Fate scowls when she sees A grown-up on his knees. A man with his health Is a mine jammed with wealth Full of unexplored lodes. Why, the freckled-back toads Have the sense to keep jumping— And here you are frumping! Come now, strike your gait— It isn't too late, There's no such thing as fate! Drop that fool-talk of "luck." Get a grip on your pluck, And buck. Begin to grin and win. —Everybody's Magazine.

## Taft and Washington.

New York, Feb. 23.—President-elect Taft and Dr. Booker T. Washington, the negro educator, will speak from the same platform tonight, at a meeting to be held at Carnegie hall, to discuss negro industrial education in the south. The occasion is a meeting arranged by the Armstrong association in the interest of Hampton institute, of which Dr. Washington is a graduate. Bishop Greer, a trustee of Hampton, will preside, and plantation songs will be sung by a chorus of students. One feature will be an industrial exhibit in which about 35 negro students will be seen at work at the trades which they are learning. Parts of the house will be open to the public.

## Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.
