STUDENTS PLEAD FOR DONATIONS

Weston, Feb. 24.—(Special).—The student body of Weston Normal went on record in a mass meeting held yesterday to plead with the state and alumni for funds with which to continue the year's work. Weston is reported to have done all in its power and no longer feels like supporting a state institution.

Union Boy in Committee.
Fred M. Huffman of La Grande, is among those who constitute the special appeal committee. The report of the resolutions committee is given: Since the Oregon state legislature has not appropriated a sum for our maintenance, during the next two years, therefore be it

Resolved, That we, the student body of the Eastern Oregon State Normal school stand loyally by our school and its faculty, and do appeal to the people of the state of Oregon for their assistance, until the legislature shall appropriate funds for our further maintenance.

Be it further resolved, That we, of the student body, ask the alumni and friends of the school to do all in their power to influence public opinion for legislation in favor of the Normal schools; be it further

Resolved, That a copy of these resolutions be sent to all the papers whose counties are represented in the student body of the Eastern Oregon State Normal school:

Baker, Crook, Clackamas, Gilliam, Douglas, Grant, Harney, Malheur, Marion, Morrow, Polk, Tillamook, Sherman, Union, Umatilla, Wasco, Walla-wa.

SCHOOL NAMES DELEGATES

La Grande's high school athletic body will be represented in the Eastern Oregon Athletic conference to be held in this city next Friday and Saturday, by Joe Ingle and Joe Williamson, two prominent students in academic and athletic circles. G. M. Mickelson will represent the faculty.

All details in connection with the coming conference have been settled by the local school, which has the management of affairs.

HIGH WATER NOT EXPECTED

The new road on the north side of the river below Perry, is being put into fine shape for travel by Bridge Superintendent Campbell, who is cleaning and finishing up the work on the change of channel below Perry that meant the abandonment of two bridges. The new piece of road is being graded in the best of shape.

No High Floods Expected.
Reports from Perry and from mountaineers this month have been to the effect that the annual spring floods will not be as severe this season as usually. It appears that much of the flood waters have been coming down the river by slow degrees, making it a plausible statement to assert that when the spring thaw in the mountains does come, it will not create

havoc with bridges along the lower Grande Ronde.
