"I have sold Chamberlain's Cough Remedy for the past eight years and find it to be one of the best selling medicines on the market. **A Common Cold.**  
We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria and scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's Cough Remedy is used. It cleans out these culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by all good dealers.

**For That Terrible Itching.**  
Eczema, tetter and salt rheum keep their victims in perpetual torment. The application of Chamberlain's Salve will instantly allay this itching and many cases have been cured by its use. For sale by all good dealers.

Pineules for the kidneys are little golden globules which act directly on the kidneys. A trial will convince you of quick results for backache, rheumatism, lumbago and tired, wornout feeling. 30 days' trial \$1. They purify the blood. Sold by Silverthorn

## STRONG ACT AT PASTIME

Big crowds, the best musical comedies put on in the house, a continual round of applause, are some of the chief characteristics of the Pastime's record last night. Announcement that an entirely new program would be given sent many to the popular playhouse and they came away pleased. Miss Alberta Hadley in her storm scene is especially good. The Fox & Durkin team continue to be popular attractions. With the exception of the storm scenes all vaudeville features will be new, though given by the same people, tonight.

From the first picture to the last act of each performance, Messrs. Ferrin and French will tonight give as good, if not the best show of any that has been presented in the history of vaudeville in La-Grande.

Miss Alberta Hadley, the Vaudeville Star, Has Several Acts, the Last Now it is Hard to Find Anything Up to the Standard of Her Storm Scene at the Pastime.
