A Common Cold.
We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria and scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's Cough Remedy is used. It cleans out these culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by all good dealers.

For That Terrible Itching.
Eczema, tetter and salt rheum keep their victims in perpetual torment. The application of Chamberlain's Salve will instantly allay this itching and many cases have been cured by its use. For sale by all good dealers.

LADD CANYON NEWS ITEMS

Ladd Canyon, Feb. 24.—(Special.)—Mr. and Mrs. William Winburn, who were married by Justice of the Peace Angus Stewart in his office at La Grande, Feb. 17, drove to the city today, where they will make their future home.

A splendid supper was awaiting them when they reached the home of the bride's parents after the wedding, which they must have appreciated after riding so far through so much mud. Late in the evening the deafening noise from pistols, guns and bells told them that a crowd had gathered. When the noise had gone on for several minutes they were welcomed in, where a fine treat was in store. They have a host of friends both in Ladd Canyon and La Grande, who wish them happiness and a long and peaceful life.

Miss Kate Braden is visiting this week with relatives at Perry. Albert Kinney of Joseph, who has been to Portland on business matters, and Frank Earls of La Grande, drove out from the latter city yesterday and spent the day with relatives at the home of Mr. and Mrs. Frank Council.

SHOPS CLOSED

As predicted yesterday the one-day holiday for the last of February became a reality today. With some or two weeks in each December at the local yards, there were signs of life and even if the day was one of rest for a majority.
