Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy. "On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her accord-

ing to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by all good dealers.

GIRLS SCARE AWAY THIEF

Armed with two umbrellas and a lamp as weapons, two brave young ladies last Monday night made an attack on a would-be burglar, that would have done credit to a pair of strong nerved men, says a Pendleton paper.

The Misses Dorothy had attended the local talent play and arrived home and were making the preliminary arrangements to retire. They were alone in the house, the Stephens family, with whom they had been staying, having gone away. Soon they heard what sounded like a rap upon the door. They listened a minute and decided that it was the wind which was blowing. Soon they heard the noise again, but again persuaded themselves that it was the wind. They went into another room and then they heard the "wind" pushing the vines aside and trying to raise the window.

"I am going to see who that is," Miss Lurie Dorothy exclaimed and forthwith armed herself with the umbrella, while the younger took another and held the lamp. They went to the door and opened it.

Soon the older girl spied a dark form in one corner of the lawn behind a tree. Just then the lamp went out. This did not deter the advancing party, but with her umbrella raised she advanced toward the object. As she neared the corner of the lawn the figure, which proved to be the man, rose out of the darkness and ran for the gate, with the young lady in pursuit, and disappeared in the night.

The young ladies then called to the neighbors and a policeman was summoned, but it was too late to catch the offender.

ANDERSON PAYS FINE

CIRCUIT JURY NOW OUT OF WORKING ORDER.

Rube Chandler Jury Brings Back Verdict of Not Guilty Last Evening—Other Case Against Anderson is Not Dismissed.

Charles Anderson is beginning to think that the way of the transgressor is hard. Yesterday, after numerous postponements, he was arraigned for contempt of court, charged with passing a box of cigars to the jury while arriving at a decision wherein he was defendant—charged with violating the local option law. After hearing his side of the case, which seemingly was a sudden spasm of liberality, not with any intention whatever of making a favorable impression on the jury, he just handed one of the jurymen a box of cigars. Judge Knowles did not look at it the same way Anderson did and fined him \$50.

There is still an untended indictment hanging over Anderson, which he desired to have dismissed after his attorneys made a showing that he had sold his notorious resort and was going to live the simple life hereafter, by retiring to his farm in Idaho.

Acting District Attorney Hedgin suggested that Anderson might plead guilty if he desired the records cleared but that he would enter a protest to a dismissal of the case. Anderson ran things high here for a while, but he played the game too strong with the result that he is down and out. Not Guilty.

The jury in the case of the State vs. Rube Chandler, charged with the larceny of a lot of bacon, hams and lard from the farm of E. W. Oliver, brought in a verdict of not guilty late last evening.

Jurors Dismissed. Judge Knowles dismissed the jury for this term, subject to recall, however, in case the Summerville cases are ready for trial within the next few days.

Soldier Balks Death Plot.
It seemed to J. A. Stone, a city war veteran of Kemp, Texas, that a plot existed between a desperate long trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 175 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.

Fever Sores.
Fever sores and old chronic sores should not be healed entirely, but this can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by all good dealers.
