Record of a Severe Attack of Bronchitis Cured by Chamberlain's Cough Remedy.

On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy at home and gave it to her accord-

ing to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." MILTON IN PUBLIC EYE

Milton, Ore., Feb. 26.—The city of Milton yesterday raised \$2000 for public work, the process taking but 20 minutes. This money will be used to advertise the valley, and while, in a way, it will be connected with the movement which originated in Walla Walla, the Milton people will handle the money.

Booster Tom Richardson of Portland was the cause of the large subscription, he going over with a number of Walla Walla business men and making an address.

Richardson went from Milton to Pendleton, taking the afternoon train.

LID IS ON IN UNION

CITY COUNCIL ORDERS BUSINESS HOUSES CLOSED.

Fine Lot of Horses From East Side of County Shipped to Portland.—Central Railway to Have a New Engine.—Baseball Boys Beginning to Be Active.—F. P. Lanus is Not So Well This Week, Says Dr. Cromwell.

(Union Republican.)

Dr. Cromwell reports the condition of F. P. Lanus, who was shot some time ago, not so favorable this week.

I. Vandevanter, who has lived in Baker for some time, was in the city this week, and may decide to locate here.

The Union baseball team is preparing for the season's work, and teams in the neighboring towns will know that we are in the game this year.

One of the finest shipments of heavy horses ever sent out of Union went to Portland this week, the buyer being M. C. Banfield. The animals for the most part were solid colors, weighing from 1400 to 1500 pounds each, and ranging in price from \$400 to \$500 a span. Some extra fine animals were six iron greys that attracted particular attention. The shipment went out Wednesday evening. The total value of the car of horses was about \$4000. Union has been known for a long time as a producer of good horses, and the shipment demonstrates that good animals are yet to be had in this part of the state.

(Union Scout.)

Born, Friday, February 14, to Mr. and Mrs. Dan Hall, a girl, E. P. McDaniel of Baker, Ore., was a Cove visitor the last part of last week.

Miss Ida Bater came over from Elgin last Saturday for a two weeks' visit with friends.

Dr. Saunders has resigned his position as assistant at Hot Lake and has accepted a position with Dr. May at the Haines sanatorium.

The city council has ordered all business houses closed on Sunday, with the exception of the butcher, drug store, bakeries and liquor stores.

R. H. England, general manager, and Carson Miller, master mechanic of the C. R. of O., left for Chicago Tuesday to purchase a new 50-horse engine for the road. Mr. Miller will be at the throttle on its way west.

Write Wireless Messages.

Chicago, Feb. 27.—A new wireless transmitting typewriter will be seen at the Chicago business show, which opens at the Coliseum this evening. This device will not only make it possible for any person to send wireless messages, but will also make it possible for them to be received and written out in legible form or a typewriter at the receiving end. The Chicago business show will exhibit complete working forms and systems, they are actually applied to various kinds of business, and the apparatus will be principally drawn from business men, buyers for corporations and department heads. The exposition will show features of interest to every business head and the short cuts that have been invented in recent years will be placed where they will attract attention.

Soldier Balks Death Plot.

It seemed to J. A. Stone, a citizen of Kemp, Texas, that a plot existed between a desperate gang leader and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me in spite of all remedies, for years. My weight ran down to 120 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 175 pounds." For severe colds, obstinate coughs, hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.

Fever Sores.

Fever sores and old chronic sores should be kept in healthy condition, should not be healed entirely, but this can be done by applying Chamberlain's Salve. This salve has no equal for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by all good dealers.
