Art Goods at Half price and Less

An Irresistible Appeal to Lovers of Fine Art

As western representative of Martin Labe—one of the finest art goods houses in New York—I have on hand their immense line of art needle-work pieces.

Now, I intend to engage in business here and have leased the former premises of the Heacock jewelry store.

As I have finished my trip, Martin Labe wires me not to return samples, but to dispose of them at any cost.

This I intend to do. 'Tis a splendid

opportunity to introduce myself by helping you secure these beautiful pieces at half their real value.

The collection is by far the largest ever shown and embraces a comprehensive assortment of exquisite and beautiful line of Mexican Drawn Work, Battenburg and Cluny laces.

A display of this sort is found only in the largest cities and then at prices twice over what I shall ask.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotics and may be given as confidently to a child as to an adult. For sale by all good dealers.

FRESHMAN CLASS LARGE

University of Oregon, Eugene, Feb. 28.—(Special.)—Registration at the university for the second semester has been practically completed, and the total shows an increase of 40 per cent over last year. The freshman class, composed entirely of graduates of four year high schools or academies, numbers 250 members, and a striking feature of the freshman registration is that nearly 30 per cent of them are from high schools outside of Oregon. The number of students registered in the colleges of Liberal Arts and Engineering is now nearly 600, and the grand total, including summer school, law, medicine and music, is over 1100.

The plans for the new gymnasium and new girls' dormitory are nearly completed and the work of building will begin as soon as the weather will permit and the materials can be assembled. Both buildings will be commodious and of first-class construction. The gymnasium will be modern in every way, including all necessary apparatus, a swimming tank, and an indoor running track. It will probably be built on land newly acquired lying just east of the men's dormitory.

SOCIETIES CO-MINGLE

There was a union meeting of the several young people's societies of the city last night in the Methodist church to hear Miss Holmes, the missionary from India, who discussed the orphanage and industrial school work now in progress in the districts over which she travels. There was special music and a most interesting and instructive evening was the result.

BADLY HURT ON STAIRS

To lay in an unconscious state for 15 minutes, bleeding profusely, was the critical condition which Oscar Jackson, clerk at the Snodgrass grocery was in last Saturday evening. He fell down the stairs and, striking his head on a heavy plank, was rendered unconscious and for 15 minutes "was in the hay." Fellow workmen discovered his plight and called medical aid. Today he is feeling refreshed but is still unable to be at his work. The fall caused a deep scalp wound, which will require time to heal, though it is not a dangerous injury. His fall was down the full length of the stairs and might have resulted even worse.

Near Death in Big Pond.

It was a thrilling experience to Mrs. Ida Soper to face death. "For years a severe lung trouble gave me intense suffering," she writes, "and several times nearly caused my death. All remedies failed and doctors said I was incurable. Then Dr. Kling's New Discovery brought quick relief and a cure so permanent that I have not been troubled in 12 years." Mrs. Soper lives in Big Pond, Pa. It works wonders in coughs and colds, sore lungs, hemorrhages, la grippe, asthma, croup, whooping cough and all bronchial affections. 50c and \$1. Trial bottle free. Guaranteed by Newlin Drug Co.
