INAUGURAL ADDRESSES

(Continued from page 2.)

of service in this capitol, though not in this chamber, has impressed me with the weight of senatorial responsibility, and the value of senatorial duty well done. It is neither well to minimize the former or exaggerate the latter, but to have both ever in mind.

I am aware that the great burden is on your shoulders, not mine. I do not, however, fail to realize that I have duties to perform which require industry, a clear mind and a controlled temper. I shall strive to perform such duties with courtesy, impartiality and fairness.

I am inducted into the vice-presidency with appreciation of the dignity and honor of the lofty place and with pleasurable anticipation of close association with men of high ideals and patriotic purpose.

I accept, sir, from your hand the gavel with the earnest hope that I may measure up to the standard you have set and if I do, I feel that I shall have met the expectations of the most exacting.

FAMILY OF TWELVE HERE

FIRST COLONIST FAMILY TO COME THIS SEASON.

Father, Wife and 10 of 11 Living Children in the Party—Father Has Six Other Children, With First Wife—Came From California and Go to Wallowa.

The first family to be brought to this or Wallowa county since the colonist rates became effective, was one that for size at least, "helps some." They came this morning; the father, John Brower, Mrs. Brower and 10 children, one after the other stepping from their coach with the ease and grace of a Rooseveltian family.

Father of 18 Children. Mr. Brower is now living with his second wife. The 12 children have been born to them, all but one living today. The eldest, a son of 19, is now in Idaho, but this morning the parents gathered their brood of 19 under protecting wings, while waiting for the Wallowa train to leave.

PORTLANDERS GO TO VALE

Last night D. M. Watson, the well known Portland restaurant man, and a party of Portland capitalists, passed through La Grande for Vale, to look over the Malheur oil fields. The delegation was joined here by Messrs. T. W. Davidson, president of the Multnomah Oil company, and George Baird, both of Union, who go to the fields to arrange for the installation of machinery already on the ground, eight miles from Vale.

The Portland people recently purchased six sections of land in the oil belt, have incorporated a company, and their visit to the fields at this time is to determine the point for well boring.

HAWLEY BROUGHT BACK. Released on Bonds Immediately After Return From Dillon.

Roy Hawley was brought back to La Grande this morning from Dillon, Mont., where he was arrested on orders from this city on a charge of being implicated with the bacon and lard thefts from the Oliver ranch, some time ago. He was immediately released on bonds and is now at liberty again, until his trial is heard.

R. A. WEST, The Well Driller

Good Cough Medicine for Children. The season for coughs and colds is now at hand and too much care cannot be used to protect the children.

A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other.

A Pleasant Physic. When you want a pleasant physic give Chamberlain's Stomach and Liver Tablets a trial. The yare mild and gentle in their action and always produce a pleasant cathartic effect.

Notice. All parties knowing themselves indebted to me, please call immediately and make settlement, as I am closing out my business. My new location is with Carl Bros., next door to Newlin Drug Co. O. M. HEACOCK.
