THE NORMAL FIGHT GROWS

BIG DAILIES AND PORTLAND

MERCHANTS ARE BOYCOTTED.

Normal Schools and Their Friends Resort to Retaliatory Methods—Big Dailies of Portland Will Suffer Some—Merchants in Same Class—Weston Wrathful.

That the friends of the Normal schools throughout the different sections of the state are not going to calmly submit to the action of the legislature in leaving the schools without any support is evidenced by the reports being sent out from the different sections. Aside from the efforts that are to be made to have something done in their behalf at the special session, radical and far-reaching retaliatory measures are to be invoked.

Senator C. J. Smith of Pendleton, received a communication from Senator Mullitt of Ashland, this morning, in which he said that a strict boycott had been declared on the Portland Oregonian and Telegram in his part of the state, and that the boycott would be extended until it covered the three counties of Douglas, Jackson and Josephine. The defeat of the Normal schools is largely attributed to the fight made upon them by those two papers, says the Pendleton East Oregonian, in speaking of the Normal school question.

Boycott Portland Merchants.

He also stated that the merchants of the southern Oregon towns had agreed to purchase their supplies, in future, entirely from San Francisco, unless Portland withdraws its opposition to the Normals. This kind of a boycott is expected to be even more effective than the one on the papers, and as the southern Oregon cities are not such a great distance from San Francisco they can easily carry their threat into execution without working very much of a hardship upon themselves or their patrons.

Weston Will Fight.

Now that the special session of the legislature has been called the people of Weston are also preparing to again present their claims before the legislature. They are in hopes of securing maintenance until June if they can do no better. To this end the Westons have collected in a comprehensive form the arguments in favor of sustaining the Normals. These will be published in the East Oregonian tomorrow and copies of the paper will be sent to all members of the legislature and to influential men throughout the state.

In connection with the work that is now under way G. W. Proebstel and Clark Wood of Weston, were here this forenoon. Mr. Proebstel came down for the purpose of enlisting the aid of some local people in the work that will be done when the legislature convenes in special session.

"Honkitonk" in Trouble.

The findings of the grand jury caused C. H. Libby and Harry Hodge of Huntington to be indicted on the charge of running a bawdy house in that city. Today Hodge was dismissed and C. H. Libby pleaded guilty to the charge and was fined \$250. There is a district in Huntington known as the "Honkitonk," and it is in that locality where Libby was alleged to have conducted his resort. He paid his fine.—Baker City Herald.

Improve Snake River Service.

Baker City, March 9.—The prayers of Eagle and Pine valley people are soon answered. Some time ago they talked of presenting a petition to the officials of the Northwestern railroad, asking that train service be installed to the mouth of Powder river, which would give all Snake river people advantage of traveling by rail a greater part of the distance to and from Baker City. This had been discussed at Halfway and Richland and in the ranchers' homes, but the petitions had been circulated very little, when the railroad company announced its intention to put on a mixed train between Huntington and Robinette, on April 15. Unless something comes up to change the company's plans, it will be possible after that date to reach the mouth of Powder river by rail.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotics and may be given as confidently to a child as to an adult. For sale by all good dealers.
