**Stiff Neck.**  
Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in 10 requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by all good dealers.

**An Ideal Cough Medicine.**  
"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Wiltshire, of Gwynneville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine, it certainly makes a most safe, pleasant and efficacious remedy for the ills it is intended." For sale by all good dealers.

## ELGIN FLOWER CARNIVAL.

**Annual Affair Will Be Conducted Without Cash Prizes.**  
Already the officers of the Elgin Cemetery association are making preliminary arrangements for the Third Annual Flower carnival, which will be held about September 1, says the Elgin Recorder today. This year more attention will be given to the growing and displaying of cut flowers and the officers of the organization are urging the ladies of Elgin and surrounding country to begin at once the securing of seeds for this particular line.

Elgin's annual flower carnival has grown to be one of the most important annual events of the city and the coming carnival promises to eclipse all former events, both as to the quantity and quality of flowers exhibited. The matter of giving premiums will be done away with this year, and only neatly printed certificates of award will be issued. The matter of giving cash prizes and premiums has occasioned some little dissatisfaction during the past years, and it is deemed best to do away with that method.
