S.S.S. THE ONLY REMEDY FOR BLOOD POISON

S. S. S. is the one and only reliable and certain cure for Contagious Blood Poison. This claim is not based on the treatment of a few cases of the disease, here and there, but its success extends over a period of more than forty years, during which time thousands upon thousands have found a cure by the use of this great vegetable remedy. S. S. S. is first of all, an absolutely perfect blood purifier, able to go down into the blood and remove every particle of the virus of Contagious Blood Poison. It cleanses and purifies the circulation, and in this way removes the cause of the trouble. Then nature, assisted by a rich, healthy blood supply, quickly renovates and renews the system, while the symptoms of ulcerated mouth and throat, skin eruptions, discolored spots, falling hair, sores and ulcers, etc., disappear, leaving the body entirely free from the effects of this insidious poison. When S. S. S. has thoroughly cleansed and purified the circulation there is no danger of any future outbreak—the blood is pure and the cause of the disease entirely removed. Home Treatment Book containing many valuable and helpful suggestions for those who are caring themselves with S. S. S., and any medical advice desired sent free to all who write.
