NEWS FROM EVERYWHERE

Portland, March 22.—(Special correspondence.)—Corvallis beat all records for enthusiasm when she inaugurated her progressive movement on St. Patrick's day, with two bands playing, hundreds of school children marching, flags flying, banners waving, every place of business closed, and a genuine old-time outburst of July sentiment prevailing everywhere. On the lapel of every coat was a tag bearing the message "Be a Booster," while delivery wagons carried the same message in box-car letters. There was a card in every show window and when the subscription paper was opened two banks led with \$360 each and in a few minutes \$3600 was subscribed, and this means not less than a \$6000 fund.

John T. Burns, secretary-treasurer of the Dry Farming congress, which will hold its fourth session in Billings, Mont., is making a tour of Oregon and delivered an address today to the business men of Portland, at the Commercial club.

Milton and Freewater are going some in an advertising way. They have raised a total sum of \$2580 for this purpose, Milton \$1680 and Freewater \$900. When they started out they hoped to be able to raise \$1500. Salem built 338 houses in 1908.

The executive committee of the Albany Commercial club has determined to continue advertising and when one visits that city, which is now active and growing in the daytime and illuminated at night with hundreds of incandescent lights, it is easy to realize that advertising is a good investment. Ashland is showing magnificent public spirit and is raising a vast sum of money for progressive purposes during the present month.

Dallas and Independence have determined to put old Polk county in the publicity parade. The Western Hotel Reporter will issue a special Oregon edition April 30.

C. T. Colt, late of La Grande, is active as advertising director of the Roseburg Commercial club.

Pendleton is circulating one of the most effective leaflets yet printed, in which attention is given to the resources of the state in general.

Tone held a very successful "Get Busy" gathering Saturday.

Ontario is enthusiastic over the prospect of early activity in the Malheur irrigation project, while La Grande is greatly encouraged over an enterprise of a similar nature.

"Five Hundred thousand in 1912" is popular in Portland.

GERMS IN HER SYSTEM.

Every Woman Should Read This. The number of diseases peculiar to woman is such that we believe this space would hardly contain a mere mention of their names, and it is a fact that most of these diseases are of a catarrhal nature. A woman cannot be well if there is a trace of the catarrhal germs in her system.

Some women think there is no help for them. We positively declare this to be a mistaken idea. We are so sure of this that we offer to supply medicine absolutely free of all cost in every instance where it fails to give entire satisfaction or does not substantiate our claims. With this understanding, no woman should hesitate to believe our honesty of purpose, or hesitate to put our claims to a test.

There is only one way to cure catarrh. That way is through the blood. You may use all the snuffs, douches or like remedies for years without getting more than temporary relief at best. Catarrh is caused by a germ. That germ is carried by the blood to the innermost part of the system until the mucous membrane is broken, irritation and inflammation produced, and a flow of mucous results, and you can probably realize how silly it is to attempt to cure such an ailment unless you take a medicine that follows the same course as the germ or parasite.

Rexal Mucu-Tone is scientifically prepared from the prescription of an eminent physician who for thirty years made his specialty catarrh, and with this medicine he average 98 per cent of cures where it was employed. No other remedy is so properly designed for the ailments of woman. It will purify and enrich the blood, stop mucous discharges, destroy all germ matter, remove all impurities from the system, soothe, heal and strengthen the mucous tissues, and bring about a good feeling of health and strength.

We want you to try Rexal Mucu-Tone on our guarantee. If you are not benefited, or for any reason not satisfied, simply tell us and we will hand back your money. Rexal Mucu-Tone comes in two sizes, 50c and \$1. A. T. Linn, druggist.

An Ideal Cough Medicine.
"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Whitshire, of Chynneville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting cases of croup and coughs of children. As it contains no opium, chloroform or morphine, it certainly makes a most safe, pleasant and efficacious remedy for the ill it is intended." For sale by all good dealers.

Notice.
You will find a full line of the old reliable Singer and Wheeler & Wilson sewing machines at Frank Harris' Art store. Machines sold on terms to suit. Payments received by Mr. Harris.
