Stiff Neck.
Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in 10 requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by all good dealers.

S.S.S. FOR RHEUMATISM

Rheumatism is caused by an excess of uric acid in the blood, which gradually gets into the circulation because of indigestion, constipation, weak kidney action, and other irregularities of the system which are sometimes considered of no importance. This uric acid causes an inflamed and irritated condition of the blood, and the circulation instead of nourishing the different portions of the body, continually deposits into the nerves, muscles, tissues and joints, the irritating, pain-producing acid with which it is filled. Rheumatism can only be cured by a thorough cleansing of the blood, and this is just what S. S. S. does. It goes down into the circulation, and by neutralizing the uric acid and driving it from the blood, effectually and safely removes the cause. S. S. S. strengthens and invigorates the blood so that instead of a weak, sour stream, causing pain and agony throughout the system, it becomes an invigorating, nourishing fluid, furnishing health and vigor to every part of the body and relieving the suffering caused by this disease. S. S. S. being a purely vegetable blood purifier, is the surest and safest cure for Rheumatism in any of its forms. Look on Rheumatism and any medical advice desired.

An Ideal Cough Medicine.
"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Whitshire, of Gwynneville, Ind. "I take great pleasure in testifying to the merits of Chamberlain's Cough Remedy. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. It contains no opium, therefore no narcotine, is certainly as safe as any

safe, pleasant and efficacious remedy for the ill it is intended." For sale by all good dealers.
