TRAFFIC ENORMOUS

Almost marvelous, is the only adequate expression of freight conditions today and last night. One solid trainload of hogs from Nebraska to Portland markets, a train and a half of mixed stock, hogs, cattle and sheep from Idaho to Portland markets are only a small portion of the freight to pass through La Grande within the past 15 hours. All in all, 15 trains have gone out of La Grande in as many hours.

The yards were blocked this morning. Switch engines confined their runs to short spurts as scarcely a foot of the yard was open early in the day. Just as rapidly as power facilities could be supplied, the congestion was cleared.
