As an illustration of how financial conditions have changed in this city and vicinity during the past few years one only has to recall the tremendous campaign that was necessary and the weeks and months that were employed to raise the \$80,000 bonus for the sugar factory as compared with the present stock subscriptions to the irrigation project.

in this part of the country. Water stock in any of the large projects on the coast is difficult to obtain.

The temperature the past few days has been sufficient to keep the fruit buds back. A few weeks more and we will be past the frost danger and this little cold snap insures one of the largest fruit crops in our history.

ALBERTA LAND BUYERS

MAKE GOOD PROFITS

A large number of Union and Omaha county farmers and investors who bought Canadian Pacific wheat lands in the Calgary, Alberta district last fall have enjoyed a handsome profit as all the land in the western section of the 3,000,000 acre tract east of Calgary has recently advanced \$5 per acre.

The central section has just been placed on the market where immense quantities of good wheat land can now be bought on the main line of the Canadian Pacific and on the Canadian Northern at \$10 per acre on 10 year's time.

Jonathan Johnston the Canadian Pacific colonization agent will leave Pendleton on April 5 with a large party to look at this new land. A rate of but \$15.25 from Pendleton to Calgary has just been made by the Canadian Pacific.

For Constipation.

Mr. L. H. Barnham, a prominent druggist of Spirit Lake, Iowa, says: "Chamberlain's Stomach and Liver Tablets are certainly the best thing on the market for constipation. Give these tablets a trial. You are certain to find them agreeable and pleasant in effect." Price, 25 cents. Samples free. For sale by All Good Druggists.

Up Before the Bar.

N. H. Brown, an attorney of Pittsfield, Vt., writes: "We have used Dr. King's New Life Pills for years and find them such a good family medicine we wouldn't be without them for Chills, Constipation, Sick or Stomach Headache." For sale by All Good Druggists.

the simplest treatment," says the Chicago Tribune. "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet offer treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by All Good Druggists.

Rheumatism.

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by All Good Druggists.

Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by All Good Druggists.
