INTEREST IN HEARING

James Neill of this city and the other University of Oregon students who are involved in the hazing of Ralph Bristol recently, will be given a hearing Thursday and Friday, the latter day at Eugene. While the hearing will be a formal affair there is no question in the minds of those who are acquainted with all the facts in the case, but that the specially appointed board will exonerate all the members. The affair was unfortunate, but never assumed the proportions attributed to it by many who heard but one side of the case.

On account of the fact that one of La Grande's delegation at the U. of O. is included in the long list of "defendants," special interest centers in the pending hearing.

UNCLE SAM ALLOWS REST

H. C. Ball, one of our efficient city mail carriers, is taking his vacation. Harry Brenholts' the regularly appointed substitute is taking his place, and will be on the job until the end of the month at least, as Mr. Stoddard, the other carrier, will have two weeks off after Mr. Ball returns to work. The last named gentleman has been in Uncle Sam's service for eight and a half years, having been on the rural route until last August, when he was appointed city carrier.
