NORTHWEST NEWS.

It is now proposed to remove the duty of 67 cents a ton in coal. If the people of Pendleton get their fuel a penny cheaper some one ought to give a grand banquet.—Pendleton Tribune.

Hermiston property owners planted 10,000 shade trees Monday of this week.

Unaffiliated county experienced a very disagreeable dust storm last Sunday. Work on the Columbia jetty will soon be resumed.

Secretary Williamson, of the State Board of Horticulture, says the peach orchards of the Northwest will not yield more than half a crop this year, but that apples, pears and prunes will do very well.

Unaffiliated county pioneers will meet in Weston May 27 and 28.

DAVIS GOING SOUTH.

Prosperous Farmer Will Spend Some Time in California.

A. P. Davis, one of Grande Ronde's most successful farmers, left this morning for a two or three months visit to California points. He expects to visit his brother-in-law, H. Van Hook, who lived at Napa, and will likely go as far south as Los Angeles before returning. Mr. Davis has been in ill health for some months, and feels the need of a change of climate. The farm will be managed by Una Davis.

Best Treatment for Colds.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune. "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a

day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and always depends upon? Always by All Good Druggists.
