**PLENTY OF PEACHES.**

There will be plenty of peaches on the bars and benches along Snake River, says the Enterprise News Record. G. B. Robertson and E. A. Mace came out from Pittsburg the first of the week on land business, and Mr. Robertson says the peach trees there are full of bloom. The season is already far advanced and the cattle are a month ahead of any he saw on his way out.

Luther Lloyd of the Innaha, here on land business the first of the week, says the peach trees are not all dead on the river, but the crop will be short this year.

Information received from Haines today states that the Odd Fellows' lodge in that city will dedicate its new building on April 26th, at which time a large delegation of Baker City Odd Fellows' will attend.—Baker City Herald.

**Best Treatment for Colds.**

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For say by All Good Druggists.

**Notice to Chicken Owners.**

Notice is hereby given to those owning chickens within the limits of the city, must put them up immediately and keep them up in accordance with ordinance No. 4, series 1894.

Chief of Police.
