MEETS WILL CONFLICT

Unless the management of the annual interscholastic meet at Corvallis changes tentative dates for the 1909 meet, La Grande will have to choose between that and Pendleton's Eastern Oregon conference, as both meets are set for the same days, namely May 21 and 22. It is presumed that if the dates are not changed, La Grande will be represented at Pendleton only. Pressure will be brought to bear from all Eastern Oregon towns to make a change in the Corvallis dates.

The past week has been fairly well availed by members of the local squad who during the pleasant weather, did regular training.

OFFICE HOURS ANNOUNCED

Publicity Manager F. B. Currey who is also clerk of the Merchants Protective Association, has established regular office hours when he can be seen by members of the association. At such hours he will be at the disposal of both organizations, but merchants especially have been given these stated periods. The hours are 9 to 10 A. M. and 1 to 2 and 4 to 5:30 P. M.

New members are joining the association almost daily and it is rapidly becoming a potent power for good in La Grande. To not belong is a near-sight that should be corrected.

COVE GAME CALLED OFF

An inch of snow at Cove, stormy climatic conditions in La Grande, conspired against the local high baseball nine this morning. The Cove management notified Manager Meyers this morning at an early hour that the game must needs be cancelled and as a result, the boys have been roaming about the city today, wearing discouraged countenances. The schedule is a long one and as track meets will take up at least two Saturday's, the team is alarmed at the congestions there will be at the end of the season.

UNION NEWS.

(From Scout And Republican.)
C. W. Jones pet deer was taken with that restless feeling that comes with spring in this salubrious climate and wandered away Wednesday. It is expected though that he will come home again as his deerhip has been off on jaunts before.

Superintendent Alex Slater of the county farm went to La Grande Wednesday on some business before the county court which is in session this week.

Recorder James England has placed his resignation in the hands of the City Council. It is thought that his successor will be named at the next meeting of that body.

TRACK WORK AT PENDLETON.

High school athletic interest is now being centered on the track team and the several coming meets in which the local representatives will participate, says the Pendleton, East Oregonian. A large squad is out every evening and the new men are rapidly being whipped into shape for the approaching contests.

C. J. Black left this morning for Anthony, Idaho, where he expects to remain for several days trying to induce several families to move to this valley. We already have a number of families from this section and they are so well pleased with our valley that they make it easy to compare conditions.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little swelling, you may know the necessary to apply Chamberlain's Liniment freely to get quick relief. For sale by All Good Druggists.
