SPLENDID TAX TOTAL

Union county taxpayers are especially alive in the matter of prompt payments this year. With what money that has come in to the county officials this week, the sheriff's office will be able to turn over a neat sum and one that will bring the total up to \$205,000 or near there. Remarkably enough out of \$257,000 that were ordered collected this year, \$205,000 have been sent in. Of this amount there are to \$57,000 rebate money which of course is not now in the coffers of the county, but as the year is only half spent, it leaves but a small margin to come later in the season.

It is seldom that the county pays its taxes so promptly.

To earn this rebate of \$5100 taxpayers sent in a total of \$175,000 before 15th of March. That leaves about \$30,000 that came in to pay half the amount that was due. Figuring that the other \$30,000 will be paid by the first Monday in October, Union county will receive penalties amounting to \$2200, and such interest as may accumulate on the \$22,000 not accounted for. The last turnover will be made early next week.

SLEUTHS IN PENDLETON

PENDLETON, April 10.—The East Oregonian said last night:

Illicit dealers in intoxicating beverages are to be haled before the bar of justice next week as the result of evidence collected during the last few days. If numerous reports and rumors which have been frequent for some time are to be given credence. The evidence against the operators of blind pigs is believed to have been gathered by members of the law enforcement league in the various towns as individuals and not under the direction of the county organization or the state anti-saloon league.

It is known that a man has been here in the role of a detective within the past ten days, but the anti-saloon people deny having had any connection with him while the sheriff's office and district attorney also deny knowledge of his operations, though Sheriff Taylor was aware of his presence here.

It is also general knowledge that liquor has been sold at various points in the county in violation of the prohibition law. It is also a certainty that the names of the dispensers of the intoxicating beverages are known in not a few instances. In view of these facts the drawing of the grand jury Monday and the subsequent action of that body is being looked forward to with a great deal of interest.
