The idea is to keep your teeth in a normal condition and this cannot be done without the aid of a dentist. This is an age when it is possible to keep the natural teeth until the time comes when you no longer need them, provided you look after them in time. Modern methods of treatment make this possible. Remember nothing can quite take the place of the natural.

Do not think because a tooth has an abscess at the root that you must lose it. In a large majority of cases it can be saved. Be reasonably sure that your Dentist knows his business. A college training on theory is absolutely necessary if the best service is to be rendered. Practice is good but theory worked out into practice is better. My motto is "The Greatest Good to the Greatest Number."

DRILLING

There are several kinds of drilling but the kind the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.

BIG CROWD OF TOURISTS

B. A. Benjamin, of the La Grande Investment company, this morning made the acquaintance of 24 tourists who are on their way to Portland. There were 60 in the original party, all from the vicinity of Benton Harbor, Mich., but the others took the Spokane line, and will go over the Northern Pacific to Portland. They expect to make that city their headquarters for at least three months, or until they have found a suitable location in some other part of the North west.

The members of this party were favorably impressed with the appearance of our valley, and asked that booklets be sent to each of them at Portland. They will also send the names of their friends.

UNION COPS A VICTORY

La Grande lost its first game of the season yesterday afternoon when the Union team nosed out a victory in the last two innings of a game that was marked at frequent intervals with errors and considerable hitting. The two teams jugged back and forth, but a costly pantomime of errors on La Grande's part lost the game to Union.

La Grande did not exhibit the skill and steadiness of a week ago while Union was up on its toes all the time.

The lineup follows: La Grande—Proc. 2b; McClure, ss; Zimmerman, p and cf; Murchison, 1b; Sallee, c; Childers, 3b; Cotner, rf; Alsott, lf; Herr, p and cf. Union—Davis, c; Sheets, 2b; Oliver, rf; Clark, lf; Skiff 3b; B. Clark, ss; Neely, 1b; McMillan p and Delay, cf.

Summary.

PENNIES FROM AFAR.

Vancouver Children Send Pennies to La Grande Park Fund.

True to their assertions of 117 days since, when, as the Observer announced, Francis and Lyndon Nelson, children of Mr. and Mrs. G. W. Nelson, now of Vancouver, but formerly living here, stated they were anxious to send money to the park fund, they today sent 165 pennies. Coming from afar, the park commission feels highly elated over this addition to the "Mile of Pennies" fund. Special thanks have been extended to them.
