## SERVICES FOR EASTER

Rev. Upton H. Gibbs, rector of the St. Peter's, delivered the annual Easter address to the Knight Templars' yesterday afternoon. The address was a masterly effort, and was received with the closest attention by the assembled Sir Knights. At 3 o'clock the Commandery was opened by Eminent Commander L. H. Russel, and 'in the regular order of march the Sir Knights proceeded to church. The procession was led by Wardens C. T. Bacon and Turner Oliver. Then came the Sir Knights, followed by the Council, composed of Eminent Commander Russel, Generalissimo C. E. Cochran and Captain General Reynolds. Prelate N. Molitor in his official robes preceded Standard Bearer A. W. Lefel. The order of march was reversed on the return to the hall.

On the night of Good Friday the annual election of Commandery officers took place. The newly elected officers are as given below: E. C. L. H. Russell; Gen. C. E. Cochran; C. G. J. E. Reynolds; Sen. W. Turner Oliver; Jun. W. C. T. Bacon; Prelate, N. Molitor; Treas., W. J. Church; Recorder, George T. Cochran; Warder, F. Kilpatrick. The appointive officers are S. T. A. W. Lefel; S. B., C. Pennington; Sent., M. K. Hall.

## S.S.S. THE ONLY REMEDY FOR BLOOD POISON

S. S. S. is the one and only reliable and certain cure for Contagious Blood Poison. This claim is not based on the treatment of a few cases of the disease, here and there, but its success extends over a period of more than forty years, during which time thousands upon thousands have found cure by the use of this great vegetable remedy. S. S. S. is first of all, an absolutely perfect blood purifier, able to go down into the blood and remove every particle of the virus of Contagious Blood Poison. It cleanses and purifies the circulation, and in this way removes the cause of the trouble. Then nature, assisted by a rich, healthy blood supply, quickly renovates and renews the system, while the symptoms of ulcerated mouth and throat, skin eruptions, discolored spots, falling hair, sores and ulcers, etc., disappear, leaving the body entirely free from the effects of this insidious poison. When S. S. S. has thoroughly cleansed and purified the circulation there is no danger of any future outbreak—the blood is pure and the cause of the disease entirely removed. Home Treatment Book containing many valuable and helpful suggestions for those who are curing themselves with S. S. S., and any medical advice desired sent free to all who write.

## THIRTY PLATS IN ONE DAY

Things will be moving in real estate circles in the La Grande land office district soon for today alone a remarkable total of 30 plats for townships in this district comprising all of three and parts of three other counties in Eastern Oregon, were ordered and produced in the Williamson land office.

It is only occasionally that this amount of orders accumulate in one day and increase in business is always indicative of spirited action in sales of land, generally timbered.

## FINE STUNTS IN BOOSTING

The La Grande Investment company is busy today sending out the Commercial club booster booklets and folders to about 50 inquiring families of other states. Picking them up at random, there were addresses of parties in Illinois, Indiana, New York, Texas, Michigan, Iowa, Ohio and Canada. The Canada inquiry came from Alberta, and there was one from Danville, Ill. "Uncle Joe's" home town.

One reason we called this a good stunt is this. The addresses will all be sent by the local real estate firm to Tom Richardson, and through him to every commercial club in the state. But La Grande will get the first results.

## When you employ

"Push—Don't Knock."  
Upon a door I saw a sign:  
I cried, "A motto, and it's mine!"  
A wiser thing I never saw—  
No Median or Persian law—  
Should be more rigidly enforced  
Than this, from verbiage divorced,  
Its logic firm as any rock—  
"Push—don't knock."  
'Twas simply meant to guide the hand  
Of those who wished to sit or stand  
Within the unassuming door,  
This weight of sermons that bore  
'Twas never meant to teach or preach,  
But just to place in easy reach  
The ear of him who dealt in stock—  
"Push—don't knock."  
But what a guide for life was that—  
Strong, philosophical and pat!  
How safe a chart for you and me  
While cruising o'er life's restless sea;  
Push, always push, with goal in view,  
Don't knock—avoid the hammer crew;  
This rule will save you many a shock—  
"Push—don't knock."  
When on that door I see the sign,  
I say "Great motto, you a mine!"  
No stronger sermon ever fe!  
From human lips; no sage could tell  
The hotbed youth more nearly how  
To point away his vessel's prow  
There are no wiser words in stock—  
"Push—don't knock."
