## Adler's Collegian Clothes

represents the highest type of ready to wear apparel America produces. The fabric, the linings, the tailoring and the fitting qualities are best appreciated when critically compared with the clothes of any other maker. The man who is painstaking in the selection of his clothes—who recognizes the real worth of a well made garment with which is combined the best features of present day fashion is the man whose attention we seek. Collegian clothes for Spring are now being shown by

## POOL GOODS FROM EAST

La Grande's Commercial club officials were called upon today by J. R. Jones general freight agent for the Judson Freight Forwarding company. It is Jones' business to ascertain names of probable home seekers and arrange for them to ship their household goods in pools to the most central point in the west. This reduces freight charges greatly. They can send their goods from the central distribution point, to the actual destination by local freight rates.

### ONLY LIGHT SENTENCE.

#### Two Weeks' Suspension For U. of O. Students Say Regents.

La Grande will be glad to know that the Ralph Bristol hazers have not been held responsible for the sudden attack of insanity following the tubbing at the University of Oregon. Two weeks' suspension is the sum total of punishment meted out to the young men who were enforcing discipline when they tubbed Bristol.

### BIBLE LECTURES.

Announcement has been made of two lectures of mutual interest to be given at The First Methodist Episcopal church, Thursday and Friday evenings, April 29th & 30th. One "Eden at the North Pole" is of interest, alike, both for its scientific and biblical importance. The other "Sunday The True Sabbath of God," will be welcomed by all who are in any degree disturbed by "The Sabbath question." These lectures will be delivered by Rev. L. G. Gowen of Weiser, Idaho. They are clear, scholarly interesting and instructive.

The proceeds from these lectures will be used to provide bibles for the Bible School.

For "Eden at the North Pole" tickets will be sold at 25 cents a piece; but for "Sunday The True Sabbath of God," admission free, only an offering will be received.

### "GYM" PARTY.

#### Young Chesterfields Entertain Lady Friends in Their "Gym."

The order of American Eagles entertained their lady friends at their aeole in the Bolmenkamp Gymnasium on Tuesday evening.

The aeole was handsomely decorated by the boys for the occasion in the club colors and flags.

Basket ball was the chief game of the evening in which the girls were easily the victors.

A two-course luncheon was served, the color scheme being pink and green.

At 10 o'clock the guests departed with many expressions of the pleasures given them by their young entertainers. The following young people were present:

Lester Stoddard, Linda Schields, Chas. Hunlock, Charlotte Jones, Nellie Gavin, Serana Rohau, Harold Newton, Alice Hill, Ralph Jones, Bessie Allison, Ben Hunlock, Mary Pennington,

Ralph Russell, Matha Watson, Haywood Stacy, Cecile Lilly, Yvonne Bohnenkamp and Florence Happersett

### PASTIME HAS ORCHESTRA.

"A real, live, up to date vaudeville theatre in La Grande at last," is what they said last night as they reluctantly left their seats at the Pastime.

It is doubtful if there is a vaudeville theatre in Eastern Oregon that puts on as clean and up to date show as the Pastime has this week, and that the people appreciate it, is shown by the large attendance last night.

In the orchestra, which is to be a special feature hereafter, Manager French has a bunch of musicians who cannot be excelled in playing for pictures and vaudeville.

### Best Treatment for Colds.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon?
