Adler's Collegian Clothes

represents the highest type of ready to wear apparel America produces. The fabric, the linings, the tailoring and the fitting qualities are best appreciated when critically compared with the clothes of any other maker. The man who is painstaking in the selection of his clothes—who recognizes the real worth of a well made garment with which is combined the best features of present day fashion is the man whose attention we seek. INFIELDER GOING NORTH

Northern baseball has called Wallace Childers, and the nifty infelder will take his departure soon for Medicine Hat, which club he will become a regular member of. The Northern league covers an immense territory, running as far east as Winnipeg, and west as far as Medicine Hat. The vast territory will be traversed several times during the season.

Mr. Childers has been aware of his job there for several weeks, but fortunately was not called to work out there. When he goes it will be to enter the playing schedule at once. His jump is occasioned by his performances while in the Northwest league with various clubs last year following his schooling under Jack O'Brien in the La Grande club of the Inland Empire League.

BUTTE NOT COMING HERE

La Grande will not have the pleasure of seeing the Butte club in action this season as was for a time apparent. Manager Barnes had planned to open training quarters in Pendleton and to play La Grande while stationed there, but Barnes has changed his mind now, and will not come to Pendleton as first named.

Pendleton fans are chagrined at the change of mind for they had hoped to see high class ball during the workouts.

NEW PICTURES TONIGHT.

New pictures, just 10 days old, and never been run before, will be on the bill at the Pastime tonight. One is a Western cowboy tale, and is full of excitement.

The same old story last night: two shows packed with well pleased audiences.

"The Singing Duo" Graham and Norton, in Cohan's Broadway hit, "When we are M-A-double-R-I-E-D," and "I wish I had a Girl" again proved to the stars of the week.

The Indian Stewart, gave an imitation of an O. R. & N. train, and Francis some new steps that were extraordinary clever.

Best Treatment for Colds.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon?
