Everybody's Magazine

is printed for folks who want to keep up to date on big things, and who don't want to be bored to death while they're at it.

So its chinks are filled with good stories, good sentiment, and good humor.

DELEGATES TO GO EAST

HAPPERSSETT AND "DOC" HARNED ARE CHOSEN

Happerssett to go to Columbus While Harned Will go to Boston For Conductors.

C. E. Happerssett secretary of the local Brotherhood of Railroad Trainmen, No. 315, has been chosen as a delegate to the annual convention of trainmen at Columbus, Ohio early in May. Mr. Happerssett will leave La Grande about May 4 and after attending the convention will go on to Philadelphia to visit his old town and state, which he has not seen in 52 years. He will be one of 299 delegates who combined, represent a body 161,000 strong.

Harned to go as Conductor. While the trainmen are meeting in Columbus, the Order of Railroad Conductors which has a strong lodge here, will send delegates to Boston and Conductor "Doc" Harned has been selected to make this long trip for the La Grande order. Both men will be potent factors in legislation for improvement of conditions in the west.

AVERT MORE JAIL BREAKS

In order to prevent any more jail breaks of the character of that achieved by Carlson the other day, the county court will at once take steps to put the jail in the best possible condition it can be made. The corridors will be lined with steel, and each when finished, will be one big cell. As the jail is now built it would be no trouble at all for one inclined to pass a saw through the window into the corridor, and if a saw or cold chisel, the same effort would provide the prisoners with firearms.

The cost of making the jail modern will probably reach \$1,000, but if it is the expenditure will prove a good investment.

Not an arrest in Pendleton during the first ten days of April. "Town is rotten," says the marshal.

S.S.S. THE ONLY REMEDY FOR BLOOD POISON

S. S. S. is the one and only reliable and certain cure for Contagious Blood Poison. This claim is not based on the treatment of a few cases of the disease, here and there, but its success extends over a period of more than forty years, during which time thousands upon thousands have found cure by the use of this great vegetable remedy. S. S. S. is first of all, an absolutely perfect blood purifier, able to go down into the blood and remove every particle of the virus of Contagious Blood Poison. It cleanses and purifies the circulation, and in this way removes the cause of the trouble. Then nature, assisted by a rich, healthy blood supply, quickly renovates and renews the system, while the symptoms of ulcerated mouth and throat, skin eruptions, discolored spots, falling hair, sores and ulcers, etc., disappear, leaving the body entirely free from the effects of this insidious poison. When S. S. S. has thoroughly cleansed and purified the circulation there is no danger of any future outbreak—the blood is pure and the cause of the disease entirely removed. Home Treatment Book containing many valuable and helpful suggestions for those who are curing themselves with S. S. S., and any medical advice desired sent free to all who write.
