A BIG MEETING OF OREGON BOOSTERS SOON

Every President, Secretary and Manager in the State Expected to Meet in Eugene in May—Other State Booster Items of Special Interest to All.

(Special Correspondence.)
PORTLAND, Ore., April 19.—Community advertising has reached a climax in Oregon, and an advertising conference under the auspices of the Oregon Development League will be held at Eugene on Tuesday, May 4, with the Eugene Commercial Club in charge. The Secretary, manager and president of every commercial organization in the state are expected to be present on this occasion to participate in a discussion which cannot be other than beneficial to all concerned.

All the visitors will meet at the Eugene Commercial club Tuesday morning, May 4 at 9:30, when a local committee will take them for a ride over the city to show what has been accomplished in the way of paving streets, new parks and buildings, with a brief stop at the State University. A business conference will convene promptly at 1:30 in the afternoon at the Commercial Club rooms, and the entire afternoon will be devoted to a discussion of work actually accomplished by the different organizations.

No state in the Union has carried forward an advertising campaign superior to that now being handled by the Commercial bodies of Oregon. Every organization and every officer has different ideas, and this conference is called in the hope that all may be benefitted, and that each present will be able not only to give but receive information, advice and instruction which will be of service to the individual communities, and for that reason of great help to the state at large.

A theater has been engaged for the evening where Oregon views will be shown with a stereopticon.

As the result of the meeting in Cottage Grove under the auspices of the Oregon Development League, that active community has already raised an advertising fund of \$3200, and this will reach \$4200. Most of the places which talk about their per capita contribution will have to take off their hats to Cottage Grove—that city has determined to put itself on the map in a really effective way.

The Chicago, Milwaukee & St. Paul railway, in a magnificent booklet of which it has just issued 10,000 copies, says in its introduction: "A land of fertile hills and valleys, mountains of untouched forests, a climate unequalled anywhere and scenery of which the eye never tires and the mind never ceases to wonder; Oregon attracts the homeseeker and the tourist. Its 96,000 square miles furnish every need of human calling. Thousands are finding homes and fortunes in the midst of its inexhaustible resources, etc., etc."

BIG VAUDEVILLE BILL AT PASTIME THIS WEEK

The Pastime is fairly outdoing its self this week, for a bill of vaudeville that can only be seen in large cities, and then for high prices, is promised by Mr. French.

La Bell and Daugherty will appear for the first time here in a Dutch Comedy Act. From press notices where these people have appeared—they can make deaf and dumb laugh.

Tommie and Evelyn Tiller come to La Grande from Pendleton where they have packed the theatre all last week. They put on a singing and talking stunt.

Mr. French has purchased Graham and Norton to stay over for a few days and tonight will put on entirely new songs.

And to fill in the Pastime will play some artistic and funny just off the press.

Ladies, the very best thing in betting and race stars just arrived at THE VAN DUYN CO.

Object to Strong Medicines.
Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by All Good Druggists.
