The idea is to keep your teeth in a normal condition and this cannot be done without the aid of a dentist. This is an age when it is possible to keep the natural teeth until the time comes when you no longer need them, provided you look after them in time. Modern methods of treatment make this possible. Remember nothing can quite take the place of the natural.

Do not think because a tooth has an abscess at the root that you must lose it. In a large majority of cases it can be saved. Be reasonably sure that your Dentist knows his business. A college training on theory is absolutely necessary if the best service is to be rendered. Practice is good but theory worked out into practice is better. My motto is "The Greatest Good to the Greatest Number."

DRILLING

There are several kinds of drilling but the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.

LOW COVE TRIMS LOCAL HIGHS

Sting of defeat marked the return to La Grande Saturday night of the La Grande high school baseball team, for the Cove nine trimmed up the locals, 13 to 12. This is the first game lost this year and it is likely that another whirl will be taken at the Cove team and should La Grande win that one, the rubber will follow.

La Grande had a safe lead for a considerable length of time, but Meyers lost his usual stability and the rest of the team also "went to pieces" disastrously. Cove won its victory in the last few minutes.

The game was clean and the many rooters from La Grande were satisfied with their team's showing excepting a few occasional moments when the players lost control of themselves.

CARNIVAL EXCELLENT

That the Commercial club and businessmen struck a gold mine when they engaged the Parker Carnival company is attested to by the Lewiston Tribune which speaks in most complimenting ways of what the show is. The general attractions which Mr. Parker carries are outlined in the display ad in this issue while the Observer will, from time to time, explain some of the features of this splendid show before it gets here. "The word great," says the Lewiston Tribune in speaking of the show, "is used advisedly for the Parker shows are the greatest on the road. No where is there an element of cheapness. There is not a single fake in the whole list, while on the other hand every attraction is first class."

Thus we would continue to quote from the paper the splendid success scored in Lewiston similar auspices as the show will come to La Grande on May 3-8 inclusive.
