UNION MEET WILL NOT MATERIALIZE IT SEEMS

A county track and field meet in this county for the present season has gone smoldering, due to the refusal of Professors Frost of Union and Conklin of Cove to permit their men to enter the meet next Saturday as originally planned. They say they cannot possibly enter at this date. Due to complication and congestion of baseball games and other track meets, May 1st is the only date left and it will be impossible, or rather impractical for students who are going to enter the Walla Walla meet a few days later, to go into a meet at that time. Final and emphatic refusal came from Mr. Frost this morning in the following:

"Was just talking with Conklin of Cove. He says they cannot be ready by next Saturday, and that with the exception of the 8th of May, the 1st of May is the only date open to them. So the 1st of May seems to be the only date, or rather the best date for all."

IMBLER ITEMS.

J. J. Bigford of Summerville has been with Dr. McKenny's for the past three days nursing a bloodpoisoned foot. He left for his home this morning. Walter Stringham and family Joseph Metcalf and family were La Grande visitors Sunday.

Saturday evening the new hotel was formerly opened, the patrons taking their first meal. The new location is far better as the proprietor is able to furnish ample room to the traveling public.

A number of Imbler's enthusiastic people accompanied their ball team to Summerville and to defeat to the tune of 5 to 6. The games was interesting throughout several Imbler boys being on the sick list made it bad for the defeated team as they were forced to play some irregulars.

Mr. P. Wright of Summerville passed through enroute to Wallawa today.

Mr. Ted Conklin who has been down with la grippe is on the road to recovery, being under the care of Dr. P. A. Lillie.

J. E. Raas's new building to be occupied by Imbler Pharmacy is fast coming to completion.

Imbler the busiest town in Union county, has been enjoying some beautiful weather of late.

Several Imbler boys visited Alice Saturday night enjoying a beautiful basket social given by the girls for the benefit of the base ball team. The amount raised was something like \$69.00.

Guy Glenn our deputy assessor was in town looking after business this morning. Guy says his auto gets balky occasionally.

J. R. Wade was a La Grande visitor Saturday. He made a flying trip in his new auto carrying five passengers.

NEW PICTURES TONIGHT.

Delayed Shipment of Fine Films Reaches Local House.

Five new pictures which have been delayed for a couple of days, arrived this morning and they are hummers. These with the excellent vaudeville bill, makes an extra long show, as well as a thoroughly high class one.

La Bell and Daugherty have a comedy act that has anything in that line beat a block. The comic situations arise over a Doctors absence, when his German valet tries to take his place. Among other things he gives a patient a whole box of pills.

Tommie and Evelyn Tiller received several encores last night, and their turn is a good one. Graham and Norton started their second week with the usual success giving some new songs, and for the finish, "The Swing Song" from the far comic opera. In the electrical effects they are good.

Object to Strong Medicines.
Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by All Good Druggists.
