WHAT Has been keeping you from having your dental work done, which you know you need? I believe I can straighten it out for you if it comes within the realm of a dentist. I will acknowledge that I am here for business, and shall employ legitimate means to interest you to the extent of a visit to my office. I believe I can convince you that your dental work can be done. True I want a recompense, but I do not want an exorbitant fee. No one turned away as long as I am able to work. Reliable work and a fair fee. Extractions 50c. (not \$1)
