FOURTEEN ARE ENTERED

FINAL TRYOUT TO BE HELD SATURDAY

Fourteen Names Will be Entered at Walla Walla Meet But Only Eight Will Go Apparently.

A list of entries, practically correct but too replete with names, was sent to Wallace last night from this city and when the names are printed in the big northwest track and field meet program, La Grande will have 14 men entered in the various events. However some of these will not go. Whitman pays expenses of six men, and the local high school will send two at its own expense while yet a few others may pay their own way.

At tryout to be held perhaps next Saturday afternoon, the definite list of those who are to go will be ascertained. In some instances, there are four almost equally proficient trying for the same event.

The only way to settle the disputed rights is by exhibtion of prowess.

The list as sent in, folows:

50 yard dash—Carpy, Williamson, Bolton or Meyers.

100 yard dash—Williamson, Bolton, Carpy.

220 yard dash—Carpy, Williamson, Bolton.

SMALL GRAIN SEEDED.

Sugar Company Will Seed Last of 1200 Acres Tomorrow.

Seeding of small grain on the sugar company farms under the supervision of Field Superintendent F. S. Bramwell, will be completed tomorrow. In all about 1200 acres are seeded this year. The work has progressed unusually rapidly this spring and as soon as the small grain seeding is completed a hurricane wind-up of the beet seeding will be attempted.

Planting Going on.

Planting of beets on the Amalgamated Sugar company ranches is progressing with the utmost possible speed. Favorable weather is permitting prompt planting whereever the crews are at work.

BOND ISSUE IS SETTLED

COMING ELECTION IS ON MERE TECHNICALITY

Notices Calling Charter Election Will be Posted Tomorrow—Mistaken Impression Prevails.

Notices calling for the charter election will be posted by Recorder Cox tomorrow, or if not tomorrow just as soon as the petition has been signed by the requisite number of voters.

There seems to be an erroneous impression abroad in the city regarding the election. Some have been heard to say that they would vote against the charter in an effort to turn down the bond issue. Such people are all wrong. The bond issue is not to be voted upon at all. The bonds have been voted, long ago. The contract with the construction company has been made and the objection of the bond buyers to our charter as passed last November are merely technical. They say that the charter should come by petition from the people instead of by an ordinance passed by the council, and that instead of being called a charter amendment, it should have been designed as a new charter. If, at the coming election, this charter is defeated, it simply means that notices will be immediately posted calling for another election in 60 days, and the expense must be borne by the city. As the matter now stands, the city of La Grande is without an adequate charter, and must have one. It has been framed, and last November its provisions were approved by the voters of the city. In order to satisfy the people who have agreed to take our bonds and give us pure mountain water instead, we must hold another election, being careful to follow the mode of procedure judged necessary by their attorneys. That's all. They pay the expenses.

Best Treatment for Colds.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderative laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For saye by All Good Druggists.
