## Adler's Collegian Clothes

represents the highest type of ready to wear apparel America produces. The fabric, the linings, the tailoring and the fitting qualities are best appreciated when critically compared with the clothes of any other maker. The man who is painstaking in the selection of his clothes—who recognizes the real worth of a well made garment with which is combined the best features of present day fashion is the man whose attention we seek. ## Ash Brothers, The Outfitters

**Best Treatment for Colds.**  
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopted must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamber-

lain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by All Good Druggists.

## MAY HOLD A TAG DAY

MEETING OF PARK ASSOCIATION FRIDAY NIGHT

If Present Discussions Materialize There Will be a Tag Day During Carnival Week—Important Meeting Called For Next Friday Night.

A tag day in connection with Carnival week is now being discussed and if present plans do not fall something of that sort will be held on the last day of the carnival. If it is decided to hold the event, the enterprising promoters of the La Grande park will go at it to get the money and they will get it too, for anything yet undertaken by them, has always been successful. Then too, as the Park Association is to have a part to play in the Carnival, coming May 3 to 8 inclusive, it has been decided that a meeting is necessary this week, where all arrangements can be made. With that purpose in view, the following notice has been issued:

#### ANXIOUS ABOUT ROAD.

CANYON CITY, Oregon, April 21.—Mass meetings are being held in this place and at Prarie City today for the purpose of gaining expressions of the people regarding extension of the Sumpter Valley railroad from Baker City, via Austin.

Leading citizens are working energetically for the road and it is expected that the meetings held today, will have a strong bearing on what will be done in the future. Just how much financial support will be pledged is not able to be determined at this hour, but there seems to be a freedom of purse strings for the cause.

#### WALLOWA FLOAT PLANS.

Drawings of the Portland rose carnival float that will represent the resources of Wallowa county, have been received and with a few alterations have been approved. The stock interests have of course the most prominent place but the grasses, alfalfa and clover will furnish a beautiful background of green for the more gay colors, relates the News-Record.

The queen will occupy a high ornate like seat with a graceful canopy cover. As the float will be a county affair in its advertisement of the resources of this most favored region, the contest for the honor of queen is thrown open to the whole county. The expenses of the float, \$400, have been guaranteed by the Enterprise Commercial club, an dthe contest will be conducted under its supervision.

ducted under its supervision.

#### NOTICE TO MEMBERS.

There will be a meeting of the Riverside Park Ass'n. at the residence of W. H. Bohnenkamp at 7:30 p. m. on Friday evening for the purpose of making arrangements for the carnival and tag day. All members or anyone desiring to become a member cordially invited.

MRS. ANNA POLLACK, Sec'y.

#### FRAME AMATEUR SCHEDULE

#### UNION AND BAKER BALL

#### TEAMS TO FORM ALLIANCE

Six or Seven Teams of Amateur Brand Will Arrange Playing Schedule at Baker City Tomorrow.

Representatives of amateur baseball teams in La Grande, Cove, Union, Elgin, Perry, Huntington and Baker City will meet in Baker City tomorrow to arrange an amateur schedule. There will be no effort set forth to perfect a league but all attention will be centered on the schedule, arranged so as to give equity to all concerned. Grant Lincoln will represent La Grande at this meeting.

In view of the fact that there is to be no professional baseball, here this will of course prove the most plausible solution. In this way the standing of each team can be computed and at the end of the season, the team carrying the highest percentage can justly claim the championship of the district.

At present there is no indication of a Sunday game here this week.

#### BIBLE LECTURE.

On the evening of April 29, Dr. L. W. Gowen of Weiser, Idaho, will give his excellent lecture on "The Garden of Eden, Where?" A lecture of thrilling interest alike for its scientific as well as religious aspects. You can't afford to miss it at the First Methodist church one week from this evening. General admission 25 cents. Proceeds to be used to purchase bibles for the Bible Schools at La Grande and Island City.

#### FIFTEEN MEN WANTED.
