Lingerie Waists

When you see these new spring and summer waists you will marvel; when you learn that they are all new patterns, long sleeves, and no two alike. They are so dainty; all have been copied from the choicest French models.

MORE RAIN AND MONEY

More rain, more dollars. Not only to the farmer, but to the dweller in the towns also; to the banker, the merchant and to the property holder. Reports from all over the valley are most encouraging. Rain has been falling in most localities since yesterday afternoon, and at some since early yesterday morning.

At Imbler the roads are very muddy, rain having fallen constantly for the last 24 hours.

At Elgin water is running in the streets. The Cove orchards and farms are benefited thousands of dollars by the warm rain.

Rain is falling at Union as this is written. From every interior point reports are that crops were never in better condition than they are this morning, and that the moisture, with the warm weather, is making the growth of grain almost visible to the naked eye.

Mr. Gowen carries a supply of Bibles and other literature and will be glad to furnish the same at a reasonable cost. Also a number of gifts Bibles for those who may be destitute and in need of the Scriptures. His lecture will profit and please.
