**WILSON BOUND OVER.**

Charged With Short Changing—Now in County Jail.

Justice Stewart this morning changed the complaint filed against Wilson, the short change artist, from larceny in a building to plain larceny, and held him to appear before the next

term of the Circuit court in the sum of \$500, in default of which he now languishes in jail.

Wilson claims to have a wife in Boise, but the officers will wait until they see the marriage certificate before they take much stock in his assertions. He is a morphine fiend and had to be doped before he could face the court at his trial yesterday. While there is no doubt whatever about his guilt it is not an assured fact that he can be convicted. His testimony, rambling as it was, warranted the court in holding him.

**FOLEY'S KIDNEY CURE**

**Cures Kidney and Bladder Diseases in Every Form—Many People have Kidney Trouble and Do Not Know It.**

**HOW TO FIND OUT.**  
It is the function of the kidneys to filter and purify the blood which is constantly passing through them. When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order. If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

**How to Tell if You Have Kidney Trouble.**  
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once. **Foley's Kidney Cure** is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Weynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
