## WILL DEFFER PUTTING ON NEW TRAINS

La Grande officials of the O. R. & N. have about concluded that May 2 will not see added passenger service, basing their judgment on the fact that the head offices in Portland have not commenced to rearrange the timetable. Unofficially, the time for the new trains had been given out, but this far Trainmaster Matheson has not been called to Portland to aid in the changes. The general belief is that when the schedule promised for May 23 takes place, the new trains will then be put on. Early in the week it was reported that until the 23rd of next month, the new trains would be run as locals to Salt Lake and at that time made overland affairs, with the most modern equipment.
