TRANSFERS ARE LARGE

The amount of money represented in Union county real estate transfers for the week just ended is unusually large. Not only have the transactions been heavy, but the prices paid indicate a healthy tone of financial conditions.

Four pieces of land, in 32 acres, have sold for \$26,500, or an average price of over \$80 per acre. One farm of 160 acres, that of Wrigth bros., of Union, sold for more than \$100 per acre.

Another tract of 80 acres, belonging to the same men, brought \$50 per acre.

Several other farms have been sold in the valley during the week for prices that indicate that the owners have not sold at a loss. The total reported transactions represent approximately \$68,000. Below we give the record of transfers, as reported by the La Grande Investment Company, abstracters.
